VPK News:

Here's to another great month!! Community Helper theme was so much fun. The children learned about different community helpers that are here to help the community. The children also dressed up as their favorite community helper, which was so cute! Thanks parents! We also learned about the Four Seasons of the year and enjoyed a pretend BEACH DAY!!

This month the children will learn about Buildings, Boats and Bridges, Farm Life, Pumpkins and Apples, Music, and Hispanic Awareness Month. Here's to another awesome month! And please remember if you have any questions, concerns, or comments please feel free to contact us by phone here at the school or by email. You can email us at vierachildrensacademy@yahoo.com.

Upcoming Events

October 21st and 22nd Picture Day

October 18th Trunk or Treat

October 30th Class Fall Parties

Parent Corner

Reading is such an essential part of a child's learning. Reading for just 20 minutes a day can help improve your child's vocabulary and listening skills as well as set the foundation of what a reader looks like. Not only is your child learning as you read, but it also is a chance to spend quality time with your child. Below is a link to a YouTube video called, "The importance of reading aloud: Tips for reading to children", which share how important reading to your VPK Student in 60 seconds. I hope that you find this video clip informative.

Just a reminder

Please bring your child to school on time. It becomes a distraction when you bring your child in late. AM classes must arrive at 8 AM and PM classes must arrive at 12:30 PM. When your child enters the classroom, please have them put their blue homework folders in the basket in the classroom. Then they will place their lunch box and bag in their personalized cubby. Next, they will wash their hands and sign in on the sign in sheet. Then they will pick a table to play tabletops until circle time.

Cooking News

We will have cooking/science projects once a week. This will not be possible without parental help. A class Wish List will be emailed to you through a Sign-Up Genie link. Thank you in advance for your continued support.

Fire Safety Month

Do you have your safety plan together? In the month of October, we like to take the time to inform parents of the importance of having a safety plan in case of a fire. Having a safety plan is the key to survival during a fire. Take the time and set out a safety plan for your family and have fun while doing it. You can create a safety plan with your child and make a game out of it. Draw a diagram of your house and map out ways to escape from a fire with your child and then do a practice run. Fires can be a scary event for children, but with a plan survival can be a success.
