February, here we are! February is the month, where at Viera Children's Academy, we spread the love, honor the past, and celebrate the future. In January, we spent our time in the classroom learning about music and movement. The children had a wonderful time learning about the color, shape, and number for the month while engaging in music and movement. February brings in the love for the children. This is the time of year where we learn about Black History Month and those African Americans who have helped shape America, Transportation and Safety, Valentine's Day and the spirit of love and friendship, and President's Day to honor our leaders. Over the next few weeks our VCA team has composed engaging, hands-on activities that will teach the children about the themes of February. We as a team are excited for what all this month will bring.

As always, if you ever have any question or concerns, please feel free to contact your child's teacher through our Procure Connect app. Teacher do have the ability to instantly see your message and will respond to you in a timely manner.

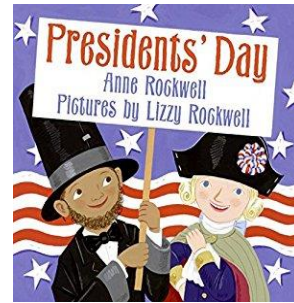

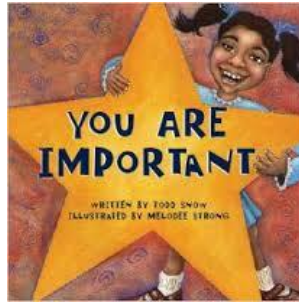

Just a reminder

- We are a PEANUT-FREE school.
- Label ALL your child's belongings. This includes but is not limited to diapers, bottles, cups, clothing, sheets, etc.
